HONDA
The Power of Dreams

HRD 536 TX

21" Professional Lawnmower

new

Roto-stop®

When you release the handle the engine continues but the blades stop – so you can leave the engine running to empty the grass bag or drive across gravel paths with complete safety and peace of mind.

Three Speed Transmission

A three speed transmission allows you to select your own cutting speed, ensuring a perfect cut at a comfortable pace.

Adjustable handlebars

Allow the user to adjust the lawnmower to suit your height.

Heavy duty handle bar

Additional support bracket for extra durability.

160cc OHC 4-stroke engine

Easy starting GCV160 OHC 4-stroke engine for power and reliability.

High traction wheels

Sealed cartridge bearings provide smooth running and easy maintenance.

Alloy deck

Light and strong for long term use.

The HRD 536 TX is the latest addition to the professional range. The powerful 160cc OHC engine drives the lawnmower along smoothly and with the three speed transmission, you can choose the correct speed for the perfect finish. An adjustable handlebar provides a comfortable position for operators. This takes the effort out of keeping a large lawn looking great. The engine can also safely be left running while emptying the grass bag or crossing gravel, thanks to its innovative Roto-stop® safety feature.
